CAMP PHILOSOPHY:

Promote the game of softball to girls in grades 6th through 8th, while working to improve skill level and knowledge of the game. The camp will be designed for girls at various skill levels. We will work hard, hustle, and teach the team concept, but most importantly we will have FUN.

CAMP STAFF:

The camp will be directed by softball head coach Gary Gorman, assistant coach Ron Weber, along with several returning players from last year's team. All camp participants will receive one on one instruction from the camp staff. Our goal as a camp staff is to give out as much information possible, increasing your abilities, thus creating a better chance for your success in softball.

EQUIPMENT:

Participants should wear clothing that will be comfortable, sneakers, and bring their own glove. We will supply all other equipment.

ABOUT THE CAMP:

This camp is designed to teach the basic fundamentals of fielding, throwing, hitting, bunting, and base running. We will introduce and teach drills that are used to improve skill level.
